

Windham County Natural Resource Conservation District Minutes

Wednesday, April 22, 2020, 6:30 pm

Zoom call

Present: Linda Corse, Meg Kluge, Katie Ross Morrison, Geof Dolman, Pieter van Loon: board supervisors;
Cory Ross: district manager

Plant Sale

- We discussed updates from the governor: farmer's markets and farm stands are allowed now.
- Meg scoped out the parking lot, it looks like it will work: space for a tent, set up so easy to control traffic flow.
- On day of the sale: do we need to delay starting time so we have time to transport orders? Geof says we can put everything on carts.
- We'll divide the alphabet in thirds, asking people to come during a specific time slot (9am-10am, 10am-11am or 11am-12pm) if they can.
- Offer the extras to school?
- Sale will be May 16, 9am-12pm
- White board/notebook with the tasks, so we can cross them off as we do them and see what still needs to get done.
- Cory will contact the suppliers to have the plants shipped to Geof's house.
- Geof will email Cory some directions for finding 236 Barrows Rd.
- We need boxes; we need about 100. Katie will ask Andrea if she has any to donate. Other options are: supermarkets; Discount Beverage; maybe somewhere else that has to dispose of boxes anyway.
- We also need plastic bags; we should have ziploc bags on hand for the bare root perennials.

Minutes:

- We'll approve April 9 minutes next time. Katie hasn't sent out April 15 minutes.

Executive Session, Re: Cory's Six-Month Evaluation:

- We agree that the evaluation look good (no changes).
- Motions were approved to approve Cory's evaluation and give him the \$1/hr raise.

Upcoming Dates:

May 16, 9am-noon: Plant Sale, 880 Rt-9, West Brattleboro, VT.

Next Meeting:

-Wed May 20, 6:30 pm, via Zoom.

Agenda Items for Next Meeting:

-2020-21 budget planning.
