more information or with any questions you might have.

# WINDHAM COUNTY NATURAL RESOURCES CONSERVATION DISTRICT

We hope you will join us at Rebop Farm 10am on January 22nd, 2022 to learn more about how your Windham County Natural Resources Conservation District (NRCD) can assist you and your land.

NRCD's Cory Ross, district manager, and Heather Blunk, agricultural outreach specialist, want to connect with producers in Windham County to talk about the services offered through the NRCD and listen to what farmers and producers have to say. We are excited to learn about the needs and concerns of our community and provide opportunity for networking amongst Windham County's producers.

Rebop Farm, located at 1320 Sunset Lake RD, Brattleboro, VT, 05301, is graciously hosting and providing a warm environment for us to gather. Wearing masks will be required per Brattleboro's indoor mask mandate.

You may RSVP at this link, <https://tinyurl.com/ycks44y9>. This link is also available on our website at [windhamcountynrcd.org](http://windhamcountynrcd.org) You can also email Heather at [blunk.wcnrcd@gmail.com](mailto:blunk.wcnrcd@gmail.com) or call our office 802-689-3024 for more information or with any questions you might have.
